Travis,

I know at the 11am meeting (from Jim) that you envisioned we would do the advance calls to States/Tribes/Other advance notification folks today.

Let me know if based on Jeff's message below that we would now hold off until tomorrow or Thursday.

Thanks,

*Dave Evans*

SAB staff contact Tom Armitage called with an update on the expected publication date of the SAB FRN announcing SAB will be reviewing the WOUS Connectivity Report and calling for the nomination of potential peer reviewers.

The expected publication date is Friday, March 8.
